Guests

1 Private Raft

Check-In Time

12:00 PM

Cost

US \$1,200.00

Itinerary

You'll float through the heart of Grand Teton National Park on our signature Ten-Mile Snake River Scenic Float Trip. Our 10-Mile Classic Scenic Float Trips run from historic Deadman's Bar, located just below the Snake River Overlook, to Moose Village. With an average round trip time of 2.5 to 3 hours, these trips are an ideal length, long enough for a full river adventure yet short enough to allow you to enjoy other Jackson Hole activities the same day.

Pick Up

Your boatman will meet you in the Float Trip Parking lot in Moose Village, in Moose, WY, on the west side of the river (please see map.) You'll then be driven in one of our Barker-Ewing vans to the starting point at Deadman's Bar.

We provide transportation from Moose Village to the launch site (you'll end the float trip about a hundred yards from your car), rain ponchos in the event of sudden showers and life preservers, which must be worn at all times when in the rafts.

Drop Off

Your raft trip will conclude near the parking lot where you'll park your car.

Bring

- Casual clothing such as slacks or jeans,
- Jacket or sweater for early morning or evening trips
- Soft-soled shoes
- Hat with visor
- Water bottle
- Sunscreen
- Cameras and binoculars may be brought at your own risk

Additional Info

Want to book more than one private raft for your special occasion? Or not seeing the date or time you're looking for? Please CALL our Office at **307-733-1800** and a member of our friendly staff will help you. Have questions? Please visit our **FAQs page** for answers to the most frequently asked questions.
